

Sermon Notes

Even if I *caused you sorrow* [made you feel guilty] by my letter, I do not regret it. Though I did regret it – I see that my letter hurt you, but only for a little while – yet now I am happy, not because you *were made sorry* [felt guilty], but because your *sorrow* [guilt] led you to repentance. For you *became sorrowful* [felt guilty] as God intended and so were not harmed in any way by us. Godly *sorrow* [guilt] brings repentance that leads to salvation and leaves no regret, but worldly *sorrow* [guilt] brings death.
