

Sermon Notes

One day as Jesus was preaching on the shore of the Sea of Galilee, great crowds pressed in on him to listen to the word of God. ² He noticed two empty boats at the water's edge, for the fishermen had left them and were washing their nets. ³ Stepping into one of the boats, Jesus asked Simon, its owner, to push it out into the water. So he sat in the boat and taught the crowds from there. ⁴ When he had finished speaking, he said to Simon, "Now go out where it is deeper, and let down your nets to catch some fish." ⁵ "Master," Simon replied, "we worked hard all last night and didn't catch a thing. But if you say so, I'll let the nets down again." ⁶ And this time their nets were so full of fish they began to tear! ⁷ A shout for help brought their partners in the other boat, and soon both boats were filled with fish and on the verge of sinking. ⁸ When Simon Peter realized what had happened, he fell to his knees before Jesus and said, "Oh, Lord, please leave me—I'm such a sinful man." ⁹ For he was awestruck by the number of fish they had caught, as were the others with him. ¹⁰ His partners, James and John, the sons of Zebedee, were also amazed. Jesus replied to Simon, "Don't be afraid! From now on you'll be fishing for people!" ¹¹ And as soon as they landed, they left everything and followed Jesus. (Luke 5:1-11 NLT)

New Sermon Series

The human body is made up of a number of different systems that work together to keep us alive and healthy. When these systems are functioning correctly and are in balance, good health results. A church is similarly multi-dimensional and also has many different parts that must work together.

This five-week series is a discussion around how a healthy church that is enjoyable, attractive, useful, growing, and honors God is produced when these various parts are kept in balance and are working properly.
