

MISSIONAL previval

In the same way that you gave me a mission in this world, I give them a mission in the world.

John 17:18 Message

We experience “missional previval” when we...

1) _____ about the world.

2) _____ to change the world.

3) _____ with the world.

The most important thing is that I complete my mission, the work that the Lord Jesus gave me—to tell people the Good News about God’s grace.

IMAGINE...

In 2017, we joined a Financial Peace University class taught by Chris Morton. At that time, we had recently retired and needed to review our financial situation. After creating a budget, we began to identify the difference between needs and wants. The class brought us closer by offering a neutral view of our money and helped us to remember that unless we tell our money where to go, it will go right out the window.

It is not easy, but once we made up our minds to choose to save for the future it made playing with the overages even more enjoyable. We remain faithful to the tenants of FPU and it has given us a north compass when making "tough" financial decisions. Everyone should invest time in this, it is life changing!
