Dear Lynn Haven UMC family,

Have you heard the news? **In-person church services will resume on Sunday, June 7!**

We're so excited about our Re-Gathering but as you can imagine we won't be returning to "church as usual." Almost everything will look a little different than it did the last time we worshipped in the same building on March 15. As a matter of fact, we'll be in a completely different building! Nearly 20 months after the destruction of Hurricane Michael, we are planning to re-open our church building at 3203 Minnesota Avenue (the former Fusion campus) as we officially resume in-person worship following the coronavirus pandemic shut-down.

Our most important concern is your health and well-being. So while we hope many of you will join us next Sunday, we also hope those who need to stay home will do so, and without any guilt. If you are sick or more at risk for getting severely ill from possible exposure to COVID-19, please stay home. You'll still be able to worship with us as both the 8 am and 9:30 am services will be live-streamed on Facebook and YouTube.

On the following page please find important information regarding our Re-Gathering, including service times and the guidelines we are asking everyone to follow while worshipping with us.

Our prayer for every member of our congregation continues to be the same and it comes from 3 John 2: "Dear friends, I hope and pray all is well with you and that you are as healthy in body as you are strong in spirit." We look forward to seeing you in person very soon!

*To God be the glory!*

In Christ,

**Craig Carter**
