Lines show sequence and general direction of journey only.

- EGYPT TO KADESH BARNEA
- KADESH BARNEA TO ELATH
- ELATH TO JERICO

The Israelite tribes fled past the Egyptian system of border posts, through the Red Sea and into the desert, where they avoided the main military and trade routes leading across northern Sinai. The less frequently traveled "Way of the Sea" led to the remote turquoise and copper mining region northwest of Mt. Sinai.
