

Youth Summer Mission Trip – 6/30-7/15, 2022

Navajo Indian Reservation

What:

We are going to back to the Navajo Nation to serve the local people and experience the local culture. We will be working on a variety of projects to help individuals and/or groups. Our goal is to work together as a team and grow from the experience as we learn to humbly serve those we meet. We pray that our selfless service will help people know that God loves them, and hopefully will help them trust God with their lives.

In addition to serving the local people (home repair, painting, cleanup, etc.), we will be visiting the following: Cadillac Ranch(?), Camping at The Grand Canyon, Window Rock(?), Navajo National Park, El Morro, Cultural Attractions, and anything else we can squeeze in.

*Remember that this is an adventure and can be one of the best experiences we have ever had. For that to happen, each of us needs to be patient and flexible!
